

# *Picnic Packages*

Mid-America Festivals has a variety of ways to celebrate with your group; the most popular are our picnic packages. With these all-inclusive packages you will find something at the Festival that will entertain every person in your group. You can even add fun gift items like goblets, t-shirts, flower garlands and Robin Hood hats as souvenirs of your event. Ask your Event Coordinator for prices. These packages are available only for events held during the Festival and require a 20 person minimum. Tax, gratuity and rental fees are included in the prices.
